Subject: Cash and revenue internal controls review

Scheduled as part of our statutory requirements, particularly those in Section 115 of the Local Government Code, the Risk Evaluation and Consulting (REC) Division of the Travis County Auditor's Office has completed a limited review of cash and revenue internal controls for Travis County Constable, Precinct 4 (CN 4). We conducted our examination in accordance with the applicable statutes governing the County Auditor's Office and those relating to County financial and accounting protocols. As a result of our examination, we are providing this report on our findings and recommendations.

BACKGROUND

Constables serve as a law enforcement agency for Travis County, with county-wide jurisdiction in civil and criminal matters. They process and execute civil processes from various courts, including forcible entry and detainer suits, writs of possession, citations, and executions issued from justice of the peace courts. The constables also process and execute misdemeanor traffic and hot check warrants of arrest for Travis County justice of the peace courts and for other municipalities and counties.

SCOPE OF EXAMINATION

This review included a limited assessment of the adequacy and effectiveness of the internal control structure for cash collections and revenue assessment/remittance in place at CN 4, focusing on collections from May 27, 2015. This included documenting office control protocols, verifying that cash collections were properly safeguarded and deposited, and reviewing revenue assessment processes.

EXAMINATION METHODOLOGY

Our work was based on applying sampling procedures to office records and on verbal and written representations from this office. Sampling relates to examining, on a test basis, evidence supporting the amounts and disclosures in the financial records and statements. The use of sampling techniques would not necessarily disclose all matters in CN 4's financial statements, financial records, and financial controls that might be material weaknesses or misstatements. In regards to the written and verbal representations made by this office, unless otherwise noted in this report, office management maintains that the assertions we relied upon in the examination were correct to the best of their knowledge.

SUMMARY OF FINDINGS

We noted no significant findings during our review.
